Farms and Ranches. One excellent Ranch of about 4400 acres, all under good fence, we located, - Two Miles of River Front-splendid grass lands, with abor dandance of good timber. Included in this beautiful tract of land are some 100 or 200 acress.

good farming land. There are about 75 acres now in cultivation - Goo residence by a never failing spring of cool fresh water. Situated on the San Saba river about 16 miles from town. Term and prices reasonable. Also a beautifully situated tract of pasture land, 630 acres. Therefore 50, perhaps 100 acres of good tillable land in this tract. This well adapted for grazing purposes as the grass grows abundantly. There is also sufficient timber. This is just the tract for a person

with a small capital. Location-about 7 miles west of town on Wal Terms easy and price reasonable. Also one fine farm of 93 acres - all under fence - at McAnelleg's Bend in Lampasas County. 46 acres in actual cultivation, and has proved wonderfully productive. The rent-one-fourth of what wa raised last year on the 46 acres—amounted to \$147. The entire 9 conferred a side degree called the Feast of Zebulin. Judging from the amount racket they made they

in the cities, and why bills bills of returned from Mills county.

S Whitted is going to give a burr bicking this week in order to get garden. The rest is good land heavily timbered. There is a burrein

in this tract for some energetic farmer. Also an excellent farm at McAnalley's Bend in Lampasus County 93 acres in all. There are 45 acres in cultivation—the income rents last year was \$150. The remaining 48 acres is heavily timbered with oaks, but is fine land. This beautiful little farm fromts on the Colorado river. There is also a good dwelling and out buildings at we shall emissive to give the pro- of good eatables was served; and

Also one fine farm 160 nores - 35 nores in netgal cultivation, right and highly productive soil, under a strong codar fence. The find in cultivation is well irrigated, has produced from a bale and a half to two bules per acre whether it rains or not. There is an abundance of water to irrigate 20 acres even in dryest seasons. There is on this farm a splendid young orchard of perhaps 75 trees; also a fine pecan orchard f perhaps 150 trees. In a few years this will be the most paying crop. There is also a good three story dwelling and necessary out house Close to the house is a never fulling spring of calculate water, noted for its health giving properties. Situated only two miles from town in splendid neighborhood. Terms easy.

Town Property.

Also one half a block, with good residence of 7 rooms, 250 barrel

istern, never failing well, etc. Price reasonable One good block nearly an acre, good land-large two-story dwelling stable good well of splendid water, all inclosed by good fence, near the business part of town, two blocks from Court house. This is
